

The greatest luxury of all is to savour the good moments in life.

The food preservation specialist.

Sub-Zero, the food preservation specialist since 1945, creates products of uncompromising craftsmanship that keep food fresher longer.

FRESHER LONGER.

Sub-Zero offers precise temperature control, optimal humidity, and NASA-inspired air purification to ensure longer lasting fresh and frozen foods.

ADVANCED TEMPERATURE CONTROL.

Sub-Zero's microprocessor controls the interior temperatures within one degree of setpoint.

BUILT AND TESTED TO LAST.

Sub-Zero tests its door hinges over 300,000 times, so it can pass the far more rigorous test of your kitchen for years to come.

DESIGN POSSIBILITIES.

Sub-Zero offers refrigeration design solutions with various widths, innovative configurations, and exterior customisation options.

The cooking specialist.

Wolf specialises in professional performance kitchen appliances that ensure delicious results every time.

PRECISE HEAT AND TEMPERATURE CONTROL.

Wolf appliances are expertly designed with intuitive, easy-to-use technology and controls, taking the guesswork out of cooking.

PROFESSIONAL HERITAGE.

Wolf brings decades of professional cooking expertise to the home. The technology, durability and design of Wolf make it the ideal kitchen companion to Sub-Zero.

RIGOROUS TESTING.

Built with premium-grade materials, Wolf appliances are designed to last. Components are subjected to extreme stress tests and rigorous testing before delivery.

DESIGN POSSIBILITIES.

Find limitless expression of individual taste in both food and design with Wolf.

Design Possibilities.
